EVENT RECAP

THE JOINT CONFERENCE OF 3F - FM - OPCA

CEO's Message

Dear Members and Friends,

It was a great pleasure to gather with you once again at INO Summit 2025, held from May 30 to June 1 in the beautiful city of Danang, Vietnam.

This year's summit was more than just an event – it was a reminder of the strength, trust, and collaboration that define our network. Seeing familiar faces and welcoming new ones, sharing ideas, and creating fresh opportunities together was truly inspiring.

I'm proud of what we've built as a global logistics family. The energy in every meeting, the willingness to connect, and the spirit of cooperation we witnessed in Danang reflect the very heart of the INO community.

I want to sincerely thank all participants, our generous sponsors, and the dedicated team behind the scenes who made this gathering such a success.

As we move forward, I'm excited to announce that INO Summit 2026 will take place in Pattaya, Thailand. We are already looking forward to welcoming you for another memorable experience – one that builds on everything we've achieved together so far.

Until we meet again – stay connected, stay inspired.

Warm regards,

Mr. Kemal KIRIKKANAT

INO SUMMIT 2025

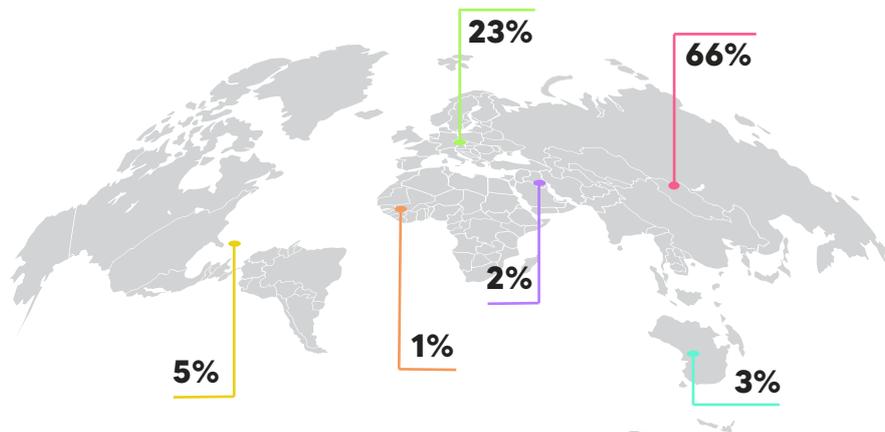

We're thrilled to share some of the best moments from INO Summit 2025, held from May 30 to June 1 at the stunning Furama Resort Danang, Vietnam.

This year, 263 delegates from 185 companies across 45 countries came together to connect, learn, and grow. It was inspiring to see familiar faces reunite and new relationships form – all driven by a shared commitment to collaboration and progress.

Over the three days, the energy was contagious. From meaningful conversations to exciting new partnerships, the summit reminded us why these gatherings are so important. Your enthusiasm and openness made every session valuable and every connection memorable.

A big thank you to everyone who joined us and helped make INO Summit 2025 such a warm and successful event. We can't wait to welcome you again next year in Pattaya, Thailand!

Team Building Activities at Furama Beach

At INO Summit 2025, we organized team-building activities on Furama Beach to strengthen group dynamics and boost interaction among attendees. Highlights included beach football, volleyball, a stilts competition on wooden boards, and tug of war. Participants had a great time competing in three teams: 3F, FM, and OPCA.

Beach Football

The Beach Football match was full of fast moves, loud cheers, and sandy tackles! FM outpaced their rivals and scored their way to the top. They proudly lifted their trophy at the Gala Dinner. Well played, all!

Beach Volleyball

High-fives, diving saves, and lots of sun! OPCA spiked their way to victory in the volleyball match, showing great teamwork and quick reflexes. They were all smiles as they received their medals and trophy at the Gala Dinner.

Stilts Competition on Wooden Boards

A bit of balance, a lot of laughter! The stilts race was wobbly fun from start to finish. FM stayed steady while others wavered, and walked their way to victory. They proudly picked up their medals and trophy at the Gala Dinner — without falling once!

Tug of War

It was all about teamwork, timing, and tenacity! The Tug of War brought out fierce determination and loud cheers. OPCA held strong, pulled hard, and powered their way to a well-earned victory — proudly receiving their medals and trophy at the Gala Dinner.

Onsite Registration

While some delegates were enjoying the beach activities, others kicked off the summit by collecting their meeting materials and conference bags at the registration counter. It was the perfect moment to reconnect with familiar faces, meet new ones, and enjoy a welcome cocktail while mingling in a relaxed and cheerful atmosphere.

Welcome Cocktail

After registration, delegates gathered for a vibrant welcome cocktail by Furama's beautiful poolside, glowing under colorful lights. Greeted by ladies in elegant traditional Vietnamese attire, guests enjoyed a relaxed evening of conversation, laughter, and connection.

The night's highlight? A lively foosball competition that drew cheers and friendly rivalry! **Mr. Christophe Virazels (FM)** and **Mr. Riccardo Cutillo (OPCA)** played their way to victory — and proudly took home their medals and trophy. With gourmet bites, refreshing cocktails and mocktails, and plenty of smiles, it was the perfect way to ease into the summit and build momentum for the days ahead.

One-to-One Meetings

The heart of INO Summit 2025 was the one-to-one meetings, kicked off with a welcome speech by CEO Mr. Kemal Kırıkkanat, followed by the recognition of sponsors and senior members. We celebrated members with 15, 10 and 5 years of loyalty. These face-to-face sessions were more than business—they were opportunities to explore industry trends, forge new connections, and strengthen old ones. Attendees shared insights, discussed innovations, and built lasting relationships, making these meetings a cornerstone of the summit.

Gala Dinner

On the second evening, delegates from around the world gathered for an unforgettable Gala Dinner in the elegant ballroom. After a full day of one-to-one meetings, they enjoyed a rich spread of international cuisine and a barbecue buffet, all served in a warm and inviting atmosphere.

The evening kicked off with a live band and vibrant dance performances. Then, when the MC and DJ took the stage together, the energy in the room soared instantly. The music, lights, and excitement brought everyone to their feet!

Winners of the team-building challenges — beach football, volleyball, stilts race, and tug of war — were honored with medals and trophies amid cheers and applause.

Filled with laughter, celebration, and connection, it was the perfect way to unwind and enjoy each other's company beyond business.
